I liked this one even better than book one.

## Here and Gone

During my second year of college I was taken camping into the Allegheny Mountains of Appalachia where, for the first time, I felt safe, alone, and at peace in the outside world. Praised by Maxim Gorky and considered one of the great masterpieces of twentieth-century Russian literature, this is the first ever stand-alone collection of all Babel's narratives set in the city, and includes the original stories as well as later tales.

## Hadoop: The Engine That Drives Big Data

According to Ezra Klein of The Washington Post while the Obama administration was willing to accept this significantly lower level of spending, it felt that a new demand by House Republicans to delay or defund the Act represented "nothing less than an effort to use the threat of a financial crisis to nullify the results of the last election. Zebra Technologies.
