## Misled

It is more than a simple struggle between parties, however sanguinary; more than mere street-fighting, and much more than a mere change of government, such as was made in France in and A revolution is a swift overthrow, in a few years, of institutions which have taken centuries to root in the soil, and seem so fixed and immovable that even the most ardent reformers hardly dare to attack them in their writings. After a time, Von Osten later reported, Hans seemed to catch on, and Von Osten began teaching him simple arithmetic tapping four times when asking Hans "what is 3 plus 1.

## The Heart Remembers
