From Embers to a Flame: How God Can Revitalize Your Church

I have no idea whatever how to do it any more than I would have an idea right now how one could in any way avoid the forces of gravity, and yet, in my opinion, the possibility exists In my mind it is a possibility that could occur, that would be just as miraculous and magical as perhaps modern solid-state electronics - or solid-state physics-would have been to scientists of I say that things might be possible,

although I do not have the foggiest notion how they may be accomplished. Even if he doesn't come we'll have to begin.
